Highlights

Adjustable spout

By raising or lowering the spout you can adjust your SENSEO® coffee machine to the size of your favourite cup or mug.

Automatic shut-off

With this function, your SENSEO® coffee machine automatically switches off after 30 minutes, allowing you to save energy.

Delicious coffee foam layer

The fine Douwe Egberts SENSEO® coffee selection and the unique SENSEO® brewing system make sure that your perfect cup of coffee always comes with a rich and delicious coffee foam layer - proof of premium taste and quality.

Unique brewing system

Unique SENSEO® coffee brewing system from Philips and Douwe Egberts. Every cup is freshly brewed and prepared with the ultimate balance between coffee and water - a guarantee for a smooth, full taste and delicious aroma.

Variety of blends and flavors

SENSEO® offers you a large variety of coffee blends and flavors, each with its own distinctive taste to fit your personal preference.
